NOTIFICATION OF ACCEPTANCE OF HELP AMERICA VOTE ACT (HAVA) GRANT FOR VOTECAL CYBER SECURITY AND INFRASTRUCTURE

This is to inform your Board of our intent to accept a total of \$200,000 in HAVA grant funds. The term of the Agreement Number 18G27119 is January 2, 2019 or upon approval by the Department of General Services, if required, whichever is later, through June 30, 2021. HAVA funds are provided by the U.S. Election Assistance Commission (EAC) for county efforts to improve cyber security and infrastructure related to VoteCal, the Statewide Voter Registration System. This grant is being disbursed by the California Secretary of State (SOS).

On November 10, 2015, your Board authorized the Registrar-Recorder/County Clerk to conduct all negotiations, prepare and execute all documents relating to the application for and receipt of federal HAVA funds.

The RR/CC continues to find ways to increase efficiencies in government. Our aim is to provide quality services to our constituents in the most responsive, cost-effective manner possible. With this aim, we continue to pursue alternate funding sources whenever the opportunity presents itself.
