STATUS REPORT: NOVEMBER 3, 2009 CONSOLIDATED ELECTIONS POST ELECTION STATUS

Following is a brief post-election update provided to inform the Board and the public of the conduct of Tuesday's Consolidated District election and current canvass activities. The information and data are provided to help further the County's goal of "service excellence". In addition, the report is part of the Department's ongoing commitment to conduct open and transparent elections for the citizens of Los Angeles County.

The November 3, 2009 Consolidated District Election was conducted successfully. Thanks to our ongoing partnership with and support from many of the jurisdictions on the ballot, Election Day presented few, if any, problems for the majority of voters. Contests for 102 active local and special districts appeared on the ballot, from City Council and School Board contests, to local Water Boards, including nearly two dozen local ballot measures.

Turnout in the election was consistent with that of past Consolidated District Elections. Semi-Official election night results indicate that 11.75% of eligible voters cast ballots in the election. Nearly half (48%) of all ballots cast were cast by mail (VBM).

Status Update

1. Election Night Tally

There were 251,989 ballots tallied on election night of which 121,947 were VBM ballots. The next update will occur today reflecting additional VBM ballots. The updated tally results will post an approximately 4:00 PM.

We have approximately 30,000 ballots left to process of which: 6,443 are provisional ballots, roughly 22,000 Vote by Mail ballot, and 534 are with-held ballots. Please note that these numbers are not final and are subject to change.

2. Election Canvass Operations

All areas of the election canvass (Roster Reconciliation, 1% Manual Tally, Ballot Duplication, Ballot Filing, Write-Ins/Withhelds and Extraneous Materials) are operational. We are scheduled to certify the elections on Monday, 11/23.

3. Updated Election Results

Election results will be updated on an ongoing basis during regularly scheduled updates (see tally update schedule below). Updated results are available online and via telephone.
