Preliminary Estimate of Outstanding Ballots Left to be Processed in the Primary Election

LOS ANGELES – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the preliminary estimate of outstanding ballots left to be processed in the Primary Election.

This estimate includes Vote by Mail ballots, Conditional Voter Registration ballots, and Provisional ballots at the Vote Center. See estimates below:

- Vote by Mail ballots: 400,000
- Conditional Voter Registration ballots: 680
- Provisional ballots: 105
- Misc. ballots*: 300

The majority of Vote by Mail ballots included in the estimate were received through Election Day by the United States Postal Service or returned at an Official Ballot Drop Box or at a Vote Center.

The number of outstanding Vote by Mail ballots will increase as the RR/CC continues to accept ballots that are postmarked by Election Day and received through Tuesday, June 14 (E+7). These ballots are not included in the preliminary estimate.

Outstanding estimates are Countywide and are not currently available by jurisdiction as ballots are received and processed in batches from throughout the County. The RR/CC prioritizes the timely processing, verifying, and counting of outstanding ballots in the Official Election Canvass.

The first post-election results update will be released Friday, June 10. The full schedule of post-election result updates can be viewed on the Canvass Update Schedule.
