“ALL VOTE BY MAIL” VOTERS NOTIFIED TODAY

We are mailing postcards today to the 7,616 voters countywide whose precincts have been declared “vote by mail.” (This designation is also known as “Declared Absentee.”) State law authorizes election officials to designate an area “all vote by mail” for a particular election when there are 250 or less registered voters within a precinct’s boundaries. This legal accommodation is due to the difficulty of finding a voting location and pollworkers for such a small number of voters. “Declared Absentee” voters will be mailed an absentee ballot in mid-September.

Typically, such voters are given a limited period of time to help our office identify a polling place and pollworkers for the voters in that precinct. However, due to the abbreviated timeline under which this election is being conducted, this option is not available to these voters for this election.

For your convenience, we are attaching a sample postcard and list by supervisorial district of impacted precincts.

Please contact myself or Jennifer Collins-Foley, Assistant Registrar of Voters, Election Services Bureau, at (562) 462-2722 for further information.

Dear Voter,

This is your Advance Notification of Absentee Voting.

You are eligible to vote in the upcoming October 7, 2003 Recall Election. The area in which you live has been designated a **“VOTE BY MAIL”** precinct which means that for this election no polling place has been designated for you. When there are 250 or less registered voters within a precincts' boundaries, State law authorizes election officials to designate such precincts as "all vote by mail" for that election. You will receive an absentee ballot in the mail in mid-September.
