**NOTE:** On **March 15, 2018**, the Secretary of State shall hold a public drawing to determine the order of candidate names on the ballot by randomly drawing each letter of the alphabet.

## BALLOT DESIGNATION PROVISIONS

**SELECTING YOUR BALLOT DESIGNATION** – The **ballot designation** describes the current profession, vocation, occupation or incumbency status of the candidate that will appear on the ballot under the candidate's name.

Ballot designations:

- Can be no more than three words
- Must appear on the Declaration of Candidacy
- Becomes public record once the information is filed on the Declaration of Candidacy; ballot designations **cannot be changed after the final date to file nomination documents**

The listing of a designation on the ballot is OPTIONAL. Only one of the following categories is allowed:

- 1) **Elective Office Title:** Words describing an elective office title may be used **IF** the candidate holds the office at the time nomination documents are filed and the office was filled by a vote of the people.

**Example A:** Governing Board Member

**Example B:** Board member, XYZ School District

- 2) **Incumbent:** The word **Incumbent** may be used **IF** the candidate is seeking re-election to the same office and was elected to that office by a vote of the people or was appointed as a nominated candidate in lieu of an election.

- 3) **Appointed Incumbent:** The words **Appointed Incumbent** must be used **IF** the candidate was appointed to the office (**other than a judicial office**) and is seeking election to that office. The word Appointed may also be used with the office title.

**Example A:** Appointed Incumbent

**Example B:** Appointed Board member, XYZ School District

**Exception:** Candidates appointed to office in lieu of an election **do not** have to use the word appointed.

## BALLOT DESIGNATION PROVISIONS (continued)

- 4) **Principal Occupation:** No more than **three words** to either describe the current principal profession, vocation, or occupation of the candidate **or** the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. Geographical names are considered one word.

**Example B:** Attorney/Educator/Rancher

**Example C:** CEO/Councilmember

- 5) **Community Volunteer:** A Community Volunteer shall constitute a valid principal vocation or occupation subject to the following conditions:
- a) A candidate's community volunteer activities constitute his or her principal profession, vocation or occupation.
  - b) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation or occupation.
  - c) A candidate is not engaged concurrently in another principal profession, vocation or occupation.
- 6) **No Occupation Desired:** If no ballot designation is requested, write the word "NONE" and place your initials in the space provided for ballot designation on the Declaration of Candidacy form.

**FORMAT OF BALLOT DESIGNATION** – Ballot designations selected which exceed space allotted on the ballot (approximately 60 characters) are printed in a smaller typeface pursuant to § 13107(i) of the California Elections Code.

In all cases, the words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements. **Restrictions:** The rules governing ballot designations can be the subject of confusion. The California Secretary of State's ballot designation regulations are available at the public counter in the Election Information Section, 2<sup>nd</sup> Floor, Room 2013.

**BALLOT DESIGNATION WORKSHEET** – A Ballot Designation Worksheet that supports the use of that ballot designation is required to be filed with the Registrar-Recorder/County Clerk at the same time as the Declaration of Candidacy. If a candidate fails to file a Ballot Designation Worksheet, no designation will appear on the ballot. (E. C. § 13107.3)

**REJECTION OF BALLOT DESIGNATION** – If the designation is in violation of any of the restrictions set forth in the California Elections Code, the candidate will be notified by certified mail with a return receipt addressed to the mailing address appearing on the candidate's ballot designation worksheet. If an alternative designation is not provided within the time allowed, no designation will appear on the ballot. (E. C. § 13107(f))

## BALLOT DESIGNATION PROVISIONS (continued)

**UNACCEPTABLE DESIGNATIONS** – Pursuant to Elections Code § 13107(e), the elections official shall not accept a ballot designation if:

- a. It would mislead the voter.
- b. It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- c. It abbreviates the word “retired” or places it following any word(s) that it modifies.
- d. It includes a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”
- e. It includes the name of any political party, whether or not it has qualified for the ballot.
- f. It uses a word(s) referring to a racial, religious or ethnic group.
- g. It refers to any activity that is prohibited by law.

<b>GUIDELINES TO ACCEPTABLE BALLOT DESIGNATIONS (BASIC TEST):</b>

- b. Is it accurate?
- c. Does it mislead?
- d. Is it generic? (This means “IBM” is unacceptable, “Computer Company” is acceptable.)

- f. Is it how this person makes a living?

**Candidates may review** their own ballot designation, as well as that of other candidates, in this office during working hours from **Saturday, March 10\*\***, 2018, through **Monday, March 19, 2018 (excluding Saturdays, Sundays and Holidays)**.

## CANDIDATE STATEMENTS

## CANDIDATE STATEMENTS

California law permits specified candidates to file a candidate statement to be printed and mailed to voters in the Official Sample Ballot Booklet. A local agency may opt to pay for the cost of the statement.

### **STATEMENTS MUST BE FILED NO LATER THAN 5:00 P.M. ON THE LAST DAY OF THE NOMINATION PERIOD.**

1. Statement is optional and may include the candidate's age and occupation.
2. Statements may not include references to other candidates. See information below and the Notice to Persons Submitting Candidate Statements in this chapter for restrictions.
3. No changes are allowed after statement is filed.
4. A candidate may request that the statement also be printed in Spanish and included in the Official Sample Ballot booklet mailed to all voters in the election area. An additional fee is required to print the Spanish statement. **In compliance with California Law, only English and Spanish candidate statements are included in the Official Sample Ballot Booklet** for candidates who wish to have one printed, at candidate's or local agency's expense. (Translations may be provided in other languages in accordance with federal law. See page 35 of this chapter for further information.)
5. No reference to candidate's political party preference nor any partisan political membership or activity is permitted.

***NOTE: The Official Vote By Mail Voting Instructions and Guide does not include candidate statements.***

**ESTIMATED COST** – The form on which the statement is submitted is issued with the nomination documents and contains word limitations and estimated cost.

If a candidate statement is formatted to include numerous paragraph breaks and/or individual listings of accomplishments, endorsements, etc., the printed candidate statement may extend to two **(2)** pages. In these cases, the actual cost for the statement may double and additional cost may be billed to you after the election.

The estimated cost is determined prior to all information being available; therefore, it is an approximation of the actual cost that varies from election to election and may be significantly more or less depending on the actual number of candidates filing statements.

**LOCAL NONPARTISAN OFFICES** (County Supervisor, District Attorney, Superior Court Judge and any other eligible candidate) – Local agencies determine the maximum amount of words allowed (**200 or 400**), the responsibility for payment (either the candidate or agency), and whether it is to be paid in advance.

**STATE LEGISLATIVE AND UNITED STATES REPRESENTATIVE** – California law permits **congressional candidates and state legislative candidates** to file a candidate statement to be printed in the Official Sample Ballot Booklet. **State Legislative candidates** who wish to file a statement must voluntarily choose to limit their campaign expenditures in accordance with **Proposition 34** by filing a **Fair Political Practices Commission** "FPPC" Form 501. Filing of a candidate statement is not mandatory but is permitted if the candidate pays the appropriate fee. The word limit for a statement is 250 words. (**E.C. 13307.5 and Govt. Code 85601**)

**NOTE:** For shared districts, candidate must file a statement with each county.

## WRITE-IN CANDIDATES TO BE ELECTED

**OFFICES OMITTED FROM BALLOT** – Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot. When judicial, school and UDEL contests are involved, if the number of persons qualifying for the ballot does not exceed the number of offices to be filled, the election is cancelled and eligible candidates are appointed in lieu of the election. California law, however, provides that for such offices a petition indicating that a write-in campaign will be conducted must have been filed with the elections official to require the office(s) be placed on the ballot by means of a petition drive.

(E.C. §§ 7228, 7423, 7673, 8203 and 10515; Ed. Code § 5326)

**NAME DOES NOT APPEAR ON BALLOT** – If the candidate's name does not appear on the official ballot, the candidate is not entitled to a candidate statement in the official sample ballot.

(E.C. § 302)

**TO BE ELECTED** – In order to be nominated to any partisan office at the primary election, the write-in candidate must receive more votes than any other candidate running for that party's nomination, and must also receive votes equal to at least **1%** of all votes cast for that office at the last preceding general election when the office was filled.

In order for a candidate, including a write-in candidate, to have his/her name placed on the ballot for a voter-nominated, judicial or county office at the general election, the candidate must be one of the top two candidates who received the most votes in the primary election.

In order for a candidate, including a write-in candidate, to win election to a judicial or county office (superior court judge, district attorney, assessor, sheriff and county supervisor) at the primary election, the candidate must receive a majority of the ballots cast for candidates for that office.

(E.C. §§ 8140, 8141, 8141.5, 8144, 8605 and 15451)

**Candidates and Committees**

**PLEASE READ CAREFULLY....**

The Political Reform Act imposes certain duties and obligations on candidates, officeholders, committee treasurers and others participating in the political process. For example:

- Detailed records must be maintained for all financial activity, and contributions received for political purposes must not be commingled with personal funds.
- Campaign statements must be filed at specified times disclosing contributions received, expenditures made, and other financial information. In some cases, candidates can avoid filing long form campaign statements by submitting a “Candidate and Officeholder Campaign Statement Short Form (Form 470).”
- Campaign statements must be hand delivered or postmarked as first-class mail by the legal filing deadline date established by law. NOTE: The **second pre-election statement** must be filed in person or guaranteed overnight delivery. Mail which is not received by the filing officer shall be presumed not to have been sent unless the filer possesses a postal receipt establishing the date of the deposit, and the name and address of the addressee.
- The Political Reform Act provides a formula for assessing late fines of original campaign statements filed in our office. The fine is \$10 per day, starting the day after the filing deadline, until the statement is filed; however, no liability may exceed the cumulative amount of reported contributions, expenditures, of the Form 460 or \$100, whichever is greater.

Failure to submit a required statement is a misdemeanor. Persons who fail to submit required statements are referred to the Fair Political Practices Commission.

**UNSUCCESSFUL CANDIDATES**

Defeated candidates must file campaign disclosure reports until the campaign committee has been terminated by filing Form 410 (see part 5).

**It is recommended that campaign disclosure statements be mailed by certified mail or by purchasing a certificate of mailing. This will eliminate any question regarding receipt of your statement.**

**Unsigned forms are incomplete and are not considered filed until they are signed.**

## PART 1

### LEGISLATIVE INTENT

Pursuant to Chapter 976, 1977 Statutes, the Legislature finds and declares:

- (a) That a need exists for adequate identification of the source of campaign Appeals directed at the voters in order to assist them in making rational decisions at the polls.
- (b) That by requiring such identification of campaign literature, the public is better able to evaluate the source of campaign material, may be more adequately informed, and can better distinguish between truth and falsity.
- (c) That by requiring identification, anonymous attacks, which cannot adequately be responded to in the heat of a campaign, will be discouraged.
- (d) That by requiring identification, a candidate who believes he or she has been libeled may more readily seek redress in a civil action for damages.
- (e) That limiting identification requirements to pejorative campaign material is inadequate because subtle attacks on candidates or measures can be framed which appear to be supportive but, in fact, are pejorative.
- (f) That a distinction needs to be made between campaign materials of small size that usually carry little more than a "Vote for \_\_\_\_\_" message, such as is often the case with buttons, matchbooks, pens, and the like, on the one hand, and campaign materials which carry more complex messages, on the other. In the case of the former, because of their characteristically small size and limited content, it would be an undue burden to require that identification as to source be included.

## PART 2

### MASS MAILINGS

#### **Definition.**

"Mass mailing" means over two hundred substantially similar pieces of mail, but does not include a form letter or other mail which is sent in response to an unsolicited request, letter or other inquiry.

**Gov. Code § 82041.5**

#### **Manner of sending mass mailings.**

- (a) Except as provided in subdivision (b), no candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of such mailing in no less than 6-point type. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State.

GENERAL CAMPAIGN INFORMATION (Continued)

- (b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.
- (c) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision. **Gov. Code § 84305**

**Newsletter or mass mailing.**

No newsletter or other mass mailing shall be sent at public expense. **Gov. Code § 89001**

**PART 3**

**TRUTH IN ENDORSEMENTS LAW**

**Legislature's findings.**

The Legislature hereby finds the following to be true:

- (1) The major political parties have become an integral part of the American governmental system requiring regulation as to their structure, governing bodies, and functions by state government in the public interest.
- (2) The Legislature has found it necessary and appropriate in the regulation of political parties to create and provide for the convening of state conventions, state central committees, and county central committees for parties qualified by law to participate in the direct primary election, by statute.
- (3) Over the several years preceding the adoption of this section organizations of electors using as a part of their names the name of a political party qualified to participate in the direct primary election have endorsed candidates for nomination of that party for partisan office in the direct primary election and have publicized and promulgated such endorsements in a manner which has resulted in considerable public doubt and confusion as to whether such endorsements are those of a private group of citizens or of an official governing body of a political party.
- (4) The voting public is entitled to protection by law from deception in political campaigns in the same manner and for the same reasons that it is entitled to protection from deception by advertisers of commercial products.

**E. C. § 20001**

**Restraining order or injunction.**

The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, broadcasting, or telecasting of any matter in violation of this chapter, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof. **E. C. § 20006**

GENERAL CAMPAIGN INFORMATION (Continued)

**Representation requirements.**

No candidate or committee in his or her behalf shall represent in connection with an election campaign, either orally or in campaign material, that the candidate has the support of a committee or organization which includes as part of its name the name or any variation upon the name of a qualified political party with which the candidate is not affiliated, together with the words “county committee,” “central committee,” “county,” or any other term that might tend to mislead the voters into believing that the candidate has the support of the party’s county central committee or state central committee, when that is not the case.

This section shall not be construed to prevent a candidate or committee from representing that the candidate has the support of a committee or group of voters affiliated with another political party, which committee or group is identified by the name of that party, where the name of the committee or group also includes the name of the candidate.

Any member of a county central committee or state central committee may commence an action in the superior court to enjoin misrepresentation by a candidate or committee in his or her behalf, in the manner prohibited by this section, to the effect that the candidate has the support of the state or county central committee involved.

**E. C. § 20007**

**Political advertisement requirements.**

Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words “Paid Political Advertisement.” The words shall be set apart from any other printed matter.

As used in this section “paid political advertisement” shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office. **E. C. § 20008**

**Simulated ballot requirements.**

- (a) Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

<p><b>“NOTICE TO VOTERS”</b> <b>(Required by Law)</b></p> <p>“This is not an official ballot or an official sample ballot prepared by the county elections official or the Secretary of State.”</p> <p>“This is an unofficial, marked ballot prepared by _____ (insert name and address of the person or organization responsible for preparation thereof).”</p>
--

## GENERAL CAMPAIGN INFORMATION (Continued)

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

- (b) No simulated ballot or simulated sample ballot referred to in subdivision (a) shall bear any official seal or the insignia of any public entity, nor shall that seal or insignia appear upon the envelope in which it is mailed or otherwise delivered.
- (c) The superior court, in any case brought before it by any registered voter, may issue a temporary or permanent restraining order or injunction against the publication, printing, circulation, posting, or distribution of any matter in violation of this section, and all cases of this nature shall be in a preferred position for purposes of trial and appeal, so as to assure the speedy disposition thereof.

**E. C. § 20009**

### **No pictures of candidates in campaign material.**

- (a) Except as provided in subdivision (b) no person, firm, association, corporation, campaign committee, or organization may, with actual malice, produce, distribute, publish, or broadcast campaign material that contains (1) a picture or photograph of a person or persons into which the image of a candidate for public office is superimposed or (2) a picture or photograph of a candidate for public office into which the image of another person or persons is superimposed. "Campaign material" includes, but is not limited to, any printed matter, advertisement in a newspaper or other periodical, television commercial, or computer image. For purposes of this section, "actual malice" means the knowledge that the image of a person has been superimposed on a picture or photograph to create a false representation, or a reckless disregard of whether or not the image of a person has been superimposed on a picture or photograph to create a false representation.
- (b) A person, firm, association, corporation, campaign committee, or organization may produce, distribute, publish, or broadcast campaign material that contains a picture or photograph prohibited by subdivision (a) only if each picture or photograph in the campaign material includes the following statement in the same point size type as the largest point size type used elsewhere in the campaign material: "This picture is not an accurate representation of fact." The statement shall be immediately adjacent to each picture or photograph prohibited by subdivision (a).

## GENERAL CAMPAIGN INFORMATION (Continued)

- (c) (1) Any registered voter may seek a temporary restraining order and an injunction prohibiting the publication, distribution, or broadcasting of any campaign material in violation of this section. **FEDERAL LAW PROHIBITING FOREIGN NATIONALS FROM MAKING CONTRIBUTIONS OR EXPENDITURES**

Federal law prohibits foreign nationals from making contributions or expenditures in connection with any U.S. election (federal, state, or local), either directly or through another person. This prohibition applies to foreign-owned corporations and associations, as well as to foreign governments, political parties and certain individuals and partnerships. Additionally, U.S. candidates for federal, state and local offices are prohibited from accepting contributions from these sources.

The ban on political contributions and expenditures by foreign nationals was first enacted in 1966 as part of the amendments to the Foreign Agents Registration Act (FARA), an “internal security” statute. The goal of the FARA was to minimize foreign intervention in U.S. elections by establishing a series of limitations on foreign nationals. These included registration requirements for the agents of foreign principals and general prohibition on political contributions by foreign nationals. In 1974, the prohibition was incorporated into the Federal Campaign Act which gave the Federal Election Commission (FEC) jurisdiction over its enforcement and interpretation.

If you have any questions on this matter, please call the FEC in Washington, D.C. at 800 424-9530 or (202) 694-1120.

## MULTILINGUAL VOTING SERVICES

## MULTILINGUAL VOTING SERVICES

### BACKGROUND

Public Law 109-246 extended the Voting Rights Act of 1965 (VRA) to federally mandate that Los Angeles County provide written and oral election assistance to limited-English, Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese-speaking voters. In January 2000, the Department of Justice further directed this office to **transliterate** the names of candidates in those languages that do not use Roman Characters. (*Transliteration* is the process of reproducing phonetic sounds as closely as possible from one alphabet or writing system into another.) At that time, these languages included Cambodian/Khmer, Chinese, Hindi, Japanese, Korean, and Thai.

### TRANSLATION OF ELECTION MATERIALS

A language is considered to be covered by the Voting Rights Act (VRA) and thus mandatory for translation of election materials if 1) more than 5% of the citizens of voting age are members of a single language minority and are limited English proficient (LEP) or 2) more than 10,000 of the citizens of voting age are members of a single language minority and are limited English proficient.

Although the VRA has established a 5% threshold for languages to be covered, Los Angeles County has set a 3% standard as established by the State Elections Code (§14201) to provide minority language materials in every election. If the number of eligible voters for a specific language is higher or equal to the 3% criteria, that language qualifies for translation. Languages that fall under the 3% criteria do not qualify for translation. This criteria not only identifies the election district/city areas throughout the county with a cost-effective method of meeting the VRA requirements, but also helps minimize printing/translation costs for election jurisdictions. The **eight** minority languages that are required by mandate in Los Angeles County are **Armenian, Cambodian/Khmer, Chinese, Farsi, Korean, Spanish, Tagalog/Filipino, and Vietnamese**. Additionally Los Angeles County will continue to support **Hindi, Japanese, and Thai**. **Russian** will be available for translation on a limited basis.

### IMPLICATIONS TO CANDIDATE COST

The County will automatically provide *translated sample ballot booklets* to voters who request it two weeks before the election and after they received the English sample ballot booklet. However, as noted in the *Candidate Statements* (see Chapter 4) there is a cost for a Spanish translated candidate statement which appears in the English sample ballot booklet. This translation is optional and the candidate needs to make a request for this service and pay for it when he/she files candidate statements with the county elections official.

## **TRANSLATION OF CANDIDATE STATEMENTS**

Candidates are encouraged to keep the translation process in mind when developing their statements, and use unmistakable and straightforward vocabulary. The use of jargon, colloquialisms, slang, or other expressions is strongly discouraged, as these are difficult to translate appropriately into other languages and their meaning may often be misinterpreted or lost.

It is not the policy of this Department to accept translated statements from candidates. This is to ensure that translated materials are culturally and linguistically appropriate. Certified subject matter experts and linguists, who have extensive experience translating election materials, translate these statements and other documents.

## **TRANSLITERATION OF CANDIDATE NAMES**

For certain languages, this department will transliterate your name. Candidate names will be transliterated to Armenian, Cambodian/Khmer, Chinese, Farsi, Hindi, Japanese, Korean, and Thai. Candidates will also be permitted to submit their own transliterations for each or all of these languages. A review period will be established to allow candidates to request changes prior to the translated sample ballot print deadline. Various minority community groups and news media assist this office by reviewing submitted transliterations to insure uniform name recognition within the community. Once transliterations are considered final, no further changes or submission of transliteration requests will be accepted after the review period. **There will be no exceptions.**

All candidates will be required to file a transliteration form (see next page) together with their nomination documents. Transliteration forms must be submitted no later than the last day to file nomination documents.

## **TRANSLITERATION REVIEW PERIOD**

Candidates may review transliteration of their names. Requests for changes must be submitted to the county elections official only during the established review period. ELECTION DAY

## ELECTION DAY

### ENHANCED VOTING SYSTEM – INKAVOTE PLUS

Voters will be using the InkaVote Plus voting system at all voting precincts on Election Day. InkaVote Plus enhances the existing InkaVote optical scan system to comply with federal Help America Vote Act (HAVA) requirements. The enhanced system allows disabled voters, including those who are blind and visually impaired, to cast a ballot privately and independently using an audio headset. Additionally, the InkaVote Plus system will provide all voters with the opportunity to have their ballots reviewed for errors prior to casting their votes.

After using the inking device provided to mark the InkaVote ballot, the voter will insert the ballot into the ballot reader slot. The ballot reader machine will alert the voter if a mistake occurred - for example, if a voter "overvoted" in any one contest for more candidates than allowed. The voter may then receive a replacement ballot to correct the error.

## HELP AMERICA VOTE ACT (HAVA) – UPDATE ON VOTER REGISTRATION

As of January 1, 2006, federal HAVA law requires every state to have a statewide voter registration database in place. As a result, in order to be listed on the California voter file, each person must provide a California Driver License (CDL) number when registering or re-registering to vote. Persons who do not have a CDL may provide a California State Identification (ID) number issued by the State's Department of Motor Vehicles (DMV). Any person who does not have either a driver license or State ID number must provide the last four digits of his/her social security number. All voter registration forms must then be cleared by the California Secretary of State (SOS) system (CalVoter) prior to the registration or re-registration becoming effective. Clearance by the SOS's CalVoter system involves matching information provided by the voter on the registration form against the DMV database or federal social security information to verify identity.

***When assisting voters with the voter registration process, please ensure that they provide a CDL or State ID number on the form.***

## POLLING PLACES AND POLL WORKERS

### Basic Information

- ◆ Polling Place Hours: 7:00 a.m. until 8:00 p.m.
- ◆ There will be approximately 5,000 polling places for the June 5, 2018 Primary Election.

### Questions and Answers

- Q.** *Can a candidate or a close relative of a candidate serve as a **poll worker** for the election in which he/she is running?*
- A.** No. This is not legally allowed.
- Q.** *Can a candidate host a **polling place** at his/her residence or office on Election Day?*
- A.** No. This is not legally allowed.

QUESTIONS AND ANSWERS: (Continued)

*Q. How can candidates get a list of **polling place** locations?*

*A.* Contact the Election Information Section at 1-800-481-VOTE (8683) or 1-800-815-2666 option 4. There is a small fee for this service. A small number of polling locations change after sample ballots are mailed to voters. Voters are notified of polling place changes via a “polls change postcard.” All polling locations are kept current on our website at [www.lavote.net](http://www.lavote.net) and are accessible for any voter to view by clicking on “Polling Place and Sample Ballot Look Up”.

**NOTE:** Every person is guilty of a misdemeanor who knowingly causes to be mailed or distributed, or knowingly mails or distributes, literature to any voter that includes a designation of the voter’s precinct polling place other than a precinct polling place listed for that voter in an official precinct polling list that constituted the latest official precinct polling list at sometime not more than 30 days prior to the mailing or distribution. **E. C. § 18302**

*Q. Why do **polling places** change?*

*A.* Despite best efforts to locate and secure long-term hosts for voting locations, an average of 8-10% of Los Angeles County polling places change between major elections. Facilities used in the past may not be available due to 1) other commitments on that date or reconstruction; 2) precinct boundary lines revised to comply with new legal requirements; 3) determination of non-accessibility to voters with disabilities; 4) complaints from voters regarding former voting location such as insufficient parking, lighting, etc.; and 5) different groupings of districts from one election to the next, making it necessary to alter voting precinct boundary lines.

*Q. What do **poll workers** do and how are they compensated?*

*A.* Poll workers are civic-minded citizens who help to set up the voting locations (polls), assist voters when signing in, demonstrate how to use the voting system, issue ballots, etc. After the polls close, poll workers are responsible for accounting for all the ballots, packing up election supplies and delivering ballots and supplies to a designated Check-in-Center.

Every poll has an Inspector who is in charge and several poll worker clerks depending on the number of registered voters in the precinct. Inspectors receive up to a \$240 stipend and clerks receive up to \$140.

To volunteer to serve as a poll worker, non-candidates  
may call 1-800-815-2666 option 7

## QUESTIONS AND ANSWERS: (Continued)

**Q.** *Is it legal for high school students to serve as **poll workers**?*

**A.** State law allows qualified high school students to serve as “student poll workers” on Election Day. The Student Poll Worker Program (SPP) is a great way to introduce young people to democracy in action and at the same time provide a valuable community service. Students who serve as regular members of a precinct board on Election Day receive the \$100 poll worker stipend, plus a \$40 bonus if they attend a training class. Students must be U.S. citizens at least 16 years of age with a grade point average of 2.5.

**Q.** *Do you know any **bilingual voters** who might be willing to serve as a **poll worker**?*

**A.** The RR/CC is required to hire **bilingual/multilingual poll workers** for targeted polling places to provide oral assistance to limited-English proficiency voters. The RR/CC is currently recruiting Armenian, Cambodian/Khmer, Chinese, Farsi, Hindi, Japanese, Korean, Spanish, Tagalog/Filipino, Thai and Vietnamese-speaking poll workers.

## **BILINGUAL/MULTILINGUAL POLL WORKERS**

Bilingual/Multilingual poll workers must be registered voters who speak English well enough to explain election procedures to English speaking voters. They must also understand English well enough to assimilate the difficult procedures taught in the training classes. Bilingual/Multilingual poll workers are vital in helping citizens with limited English proficiency to exercise their voting privileges. They assist voters, whose primary language is not English, and help them understand voting procedures by responding to their questions. As a means to address the bilingual poll worker recruitment challenges, a “Poll Worker/Recruiter” Program, which brought community activists into recruiting bilingual/multilingual poll workers from their communities, was launched in 1998. In addition, to solve general poll worker recruiting issues, Los Angeles County has developed the Student Poll Worker and County Employee Poll Worker Programs. The County has utilized these programs, in addition to the Poll Worker/Recruiter Program, to address bilingual/multilingual poll worker recruiting challenges. By working together, we can eliminate problems early.

In 2013, Assembly Bill 817 was passed allowing lawful permanent residents to serve as poll workers as a means of expanding the pool of bilingual individuals who can serve as bilingual poll workers and providing civic engagement opportunities for future voters.

## BILINGUAL/MULTILINGUAL POLL WORKERS (Continued)

Los Angeles County employs a four-part system to identify "targeted" polling places for oral assistance. This "targeting" system was negotiated over a two-year period with attorneys from Los Angeles County, the Department of Justice and community-based organizations. The four elements of the targeting system are:

- **Census Data.** This is simply a "Yes – Targeted" or "No – Not Targeted" designation per voting precinct. All census data targeted precincts are placed on a high targeted list.
- **Multilingual Requests on File.** This category reflects the number of voter requests for language assistance which are on the voter file for a given voting precinct. The standard for targeting is twenty or more requests for all eight mandated languages (Armenian, Cambodian/Khmer, Chinese, Farsi, Korean, Spanish, Tagalog/Filipino, and Vietnamese) and the three support languages (Hindi, Japanese, and Thai). Precincts with twenty or more such requests are placed on a (high) targeted list.
- **Input from Community Based Organizations.** If a community based organization indicates that a neighborhood should be targeted for a particular language due to community awareness of a high number of language minority voters in a specific language(s), the polling places in that immediate neighborhood are targeted for future elections and are placed on a secondary targeted list.
- **Multilingual Tally Card.** The "Multilingual Tally Card" is provided to each polling place for poll workers to keep track of voters requesting language assistance. If more than five voters request language assistance in any language in a precinct not already targeted, such precincts are placed on a tertiary targeted list.

## **NEIGHBORHOOD VOTING CENTERS (NVC's)**

In an effort to recruit and retain voting locations which are visible, stable, sizeable, and accessible for voters with disabilities and adaptable to more sophisticated voting technologies, the County is moving in the direction of centralized Election Day voting locations which can accommodate more than one precinct. (Current state law limits precinct size to a maximum of 1000.)

Between major elections, approximately 8 to 10 percent of LA County polling places are replaced because the previous location is no longer available. The transition to NVCs will mean identifying and securing long-term partnerships with polling place hosts, which will help minimize voter confusion. Examples include government buildings, schools, recreation centers and community centers.

The County will continue to provide a variety of services to assist in directing voters to their correct poll including listing the poll address on the back of the Official Sample Ballot, posting poll addresses on the County website, and an automated phone system which can be accessed 24 hours a day.

## **ELECTION DAY SERVICES FOR VOTERS WITH SPECIFIC NEEDS**

**Assistance in Voting.** Under California law, any voter who needs help in casting a ballot is entitled to request assistance. A poll worker can provide assistance or the voter may select a person of his or her choice. If the voter is unable to mark the ballot, the voter may choose up to two people to help cast his/her vote. The assistants may not be the voter's employer, the employer's agent or the voter's labor union leader or agent.

**Curbside Voting.** Any voter who cannot reach the voting area at the polling place because of architectural barriers or physical limitations may request to vote "curbside" (outside of the polling location.) A poll worker will bring a ballot and marking device to the voter, assist the voter if necessary, and place the voter's ballot in the box.

**Large Handle Pen.** A special pen with a large ball for easy gripping is available at each polling place in Los Angeles County. This pen allows persons who are unable to grasp the regular pen to more easily mark the ballot card.

**Voters with Vision Impairments.** Each polling place displays voting instructions in large type. Magnifying devices are also available for voters who may have difficulty reading the ballot.

**Wheelchair Accessible Voting Booths.** Designated wheelchair accessible voting booths are available at every county poll location.

# ***A GUIDE FOR POLL WATCHERS***

**Poll watchers** are persons interested in election proceedings who are entitled to observe polling place operations during voting hours. However, poll watchers may not disrupt the election process or interfere with a voter's right to cast a secret ballot. Poll watchers often represent candidates, political campaigns and/or organizations.

**Poll workers** are appointed by the Registrar-Recorder/County Clerk and are responsible for all phases of the election that take place at the polls. They will comply with poll watchers' requests for voter information.

The following pages contain rules and procedures that all observers at the polling places must comply with at all times.

## A GUIDE FOR POLL WATCHERS (Continued)

1. Vote counting activities at the polls and the tally center are open to public observation but no interference will be allowed during the proceedings. Interference with the election and canvass, or with a voter casting a ballot, is punishable by imprisonment in state prison for up to three years. **(E.C. § 18502)**

Only poll workers have the right to challenge a person's eligibility to vote at the polls. A challenge may be made only upon sufficient probable cause. Poll workers are instructed to report the presence of any persons or signs which may be intimidating to voters or cause interference with the voting process to the Registrar-Recorder/County Clerk Department. **(E.C. §14240)**

The use of force, violence or tactic of coercion or intimidation to compel a person to refrain from voting at any election is a felony punishable by imprisonment in state prison. **(E.C. § 18540)**

2. Damaging or tampering with voting equipment or official election materials in a polling place is a felony, punishable by imprisonment for 2, 3, or 4 years. **(E.C. § 18564)**
3. Electioneering is not permitted within 100 feet of the polling place; that is, within 100 feet from the entrance or door to the room or rooms in which voters sign the roster and cast their ballots. Exit polling is permitted, however, no closer than 25 feet of polling places by news media or other organizations surveying voters as to how they voted. Media may come into a poll to film or interview voters, including voters in the booth, as long as the voter consents and there is no disruption to other voters or the voting process. **(E.C. §18370 and A.G. Opinion)**
4. Only poll workers can post signs within 100 feet of a polling place. Talking in loud voices, disruptive behavior which causes confusion or the congregating of excessive numbers of persons inside the polling place is not permitted. Onsite telephones or other facilities are not available for the use of poll watchers.
5. Wearing campaign badges or taking campaign material or literature into the polling place is not permitted.
6. Poll watchers may not sit at the official table. **(E.C. § 14223(a))**

A GUIDE FOR POLL WATCHERS (Continued)

7. The area between the official table and the voting booths is accessible to voters only and may not be designated as an observer post. **(E.C. § 14221)**
8. Street indices marked to indicate persons who have voted are posted for reference by the public. Signature rosters may be inspected at any time provided there is no interference with poll operations or delay or inconvenience to the voters. **(E.C. §§ 14202 & 14223(b))**
9. The American flag must be prominently displayed (regardless of weather conditions) during all polling hours. **(E.C. § 14105(f))**
10. At the opening of the polls the ballot box must be opened, exhibited to be empty, closed, and remain locked until the last ballot is cast and the polls are closed. **(E.C. § 14215)**
11. If a polling place is inaccessible to a voter with a disability, the voter may vote a ballot outside the premises in an accessible area as near as possible to the polling place. **(E.C. § 14282(c))**
12. Voters may request and receive assistance in voting if they declare under oath that they are unable to mark their ballots. **(E.C. § 14282(a))**
13. A voting booth may not be occupied by more than one person at a time unless a person is assisting the voter as provided by law. **(E.C. §§ 14281, 14222 and 14224)**
14. Poll workers may communicate with voters in a language other than English, but are permitted to do so only to provide election information or instructions. Special language assistants are permitted to help voters in the voting booth without a time limit. **(E.C. § 14227 and the Voting Rights Act, VRA)**
15. Smoking is not permitted inside the polling place.

ELECTION RESULTS

## ELECTION RESULTS/CANVASS/ ELECTION CONTESTS/RECOUNTS

### TABULATION OF ELECTION RESULTS

***Can a candidate view all parts of the ballot counting process?*** Yes, the ballot counting process is open to public observation. If you wish to observe the process, you may go to the lobby, located on the 1<sup>st</sup> floor of the Norwalk headquarters, to check in and be provided with an observer's badge. Tours are available.

#### ***How/where are results available on election night?***

- **Website:** Results are available on the Internet at [www.lavote.net](http://www.lavote.net)
- **In person:** You are welcome to come to the Tally Center which is open for public observation. Please call (562) 462-2665 to make a reservation.
- **Norwalk Headquarters:** Hard copy bulletins are printed and distributed on the 3<sup>rd</sup> floor near the Microcomputer Tally System (MTS) room.

***Are election night results final?*** No. California State law allows a specified period after the election for the completion of the official canvass. Results released on election night are semi-official.

### POST ELECTION NIGHT RESULTS

Supplemental counts of outstanding ballots will be scheduled to begin approximately 3 days after the election. These counts are conducted to get the majority of Vote By Mail and provisional ballots tallied during the canvass process.

Outstanding ballots include:

- Vote By Mail ballots turned in at the polls on election day
- Write-in ballots
- Provisional ballots voted at the polls

Semi-official election results are updated following a supplemental count. If a race is very close, the outcome may not be known until the canvass is complete.

## **CANVASS/CERTIFICATION**

Canvass is the process of reconciling election day data and the supplemental counting of Vote By Mail ballots turned in at the polls, including provisionally cast and write-in ballots. The numbers of voted ballots reported by pollworkers and Vote By Mail ballots are matched to the computer tally. California law permits 30 days to complete the official canvass and certify the final results of the election. The law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of all of the voting precincts in an election. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from randomly selected voting precincts. After election night, the schedule of supplemental ballot counting is posted in our Norwalk office.

## **STATEMENT OF VOTES CAST**

The Semifinal Official Canvass Statement of Votes Cast (SVC) which reports election results by individual voting precincts is available the Thursday after the election at the elections office. For most elections, this report is also posted on the department's website. Once the election is certified, the final Statement of Votes Cast is made available at our office and on the website.

## **ELECTION CONTEST**

An election contest may involve a recount, but it is not the same as a requested recount. It is a court action and can be filed for a variety of reasons and at different times. For complete information, refer to Elections Code Division 16, Election Contests.

## **DOCUMENT RETENTION**

Certain precinct supplies and all voted ballots must be preserved for 22 months when a federal office is on the ballot and 6 months for most all other elections. If no legal action is pending at the end of this period, the documents may be destroyed or recycled. Unused ballots may be destroyed or recycled after the election.

## **REQUESTING A RECOUNT**

A recount is conducted by the elections official for the purpose of verifying the number of votes counted for any office or measure in an election. California Elections Code Division 15, Chapter 9, Sections 15620 through 15634 govern voter requested recounts.

## Requesting a Recount (Continued)

### Result of Recount

- The results of a recount are declared null and void unless every vote in which the contest appeared is recounted. **(E.C. § 15632)**
- Upon completion of a recount, if a different candidate, slate of electors, or position on a measure receives a plurality of votes, the results of the official canvass will be changed and the election results re-certified. **(E.C. § 15632)**
- A copy of the results of any recount conducted shall be posted conspicuously in the office of the elections official. **(E.C. § 15633)**
