

UseCaseID	PW029
Module	Election Worker
SubModule	
Summary	Election Worker Type - Management
Description	Each Job Title in the Election Workers module must belong to a worker type; Community, Student, County Employee, CIC Workers, State , Special Projects.
Trigger	
Precondition	All election workers will belong to one of the worker types. Worker type will be managed in the Workers module.
ExpectedResult	EMS System will provide a tab for each worker type to easily manage the workers.
DetailedProcessFlow	<ol style="list-style-type: none"> 1. User will select the worker type from the dropdown when adding new or updating election workers. (The worker type will be set up in the maintenance record of the worker and carry over to the election specific.) 2. System will save the worker type information.
AlternateFlow	
Parent	
Requirements	UC-PW029-01 EMS shall allow L.A. county to manage the worker type -add new. UC-PW029-02 Worker type shall always be displayed with the workers record. UC-PW029-03 EMS shall provide reports of workers by type, job title, assigned/unassigned.
RequirementID	
Gap	
Risk	[List of Risk IDs] This will help in managing and separating each worker type.
