December 6, 2005

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**APPLY FOR FEDERAL REIMBURSEMENT FUNDS UNDER THE
HELP AMERICA VOTE ACT (HAVA)
TO IMPLEMENT THE
ELECTION ASSISTANCE FOR INDIVIDUALS
WITH DISABILITIES (EAID) GRANT
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the attached resolution authorizing the Registrar-Recorder/County Clerk (RR/CC) to apply for federal reimbursement funds under Help America Vote Act (HAVA) Section 261.
2. Delegate authority to the RR/CC or her designee to conduct all negotiations and execute the State of California Standard Agreement with attachments and payment requests that may be necessary for the completion of the aforementioned project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of the recommended action is to authorize the RR/CC to apply for Los Angeles County's allocation of federal HAVA Section 261 reimbursement grant funds to improve accessibility to and participation in the elections process for individuals with the full range of disabilities in accordance with the requirements of HAVA passed in October 2002.

The California Secretary of State allocated HAVA grant funds to counties based on an eligibility formula with the maximum amount of the grant award determined by the number of eligible voters per county as reported in the most recent Secretary of State's Report of Registration. Using these criteria, Los Angeles County is eligible for a maximum amount of \$851,618.54 in grant funds which must be fully expended by June 30, 2007. These funds are in addition to the grant funds available to upgrade voting systems.

USE OF FUNDS

Any funds received pursuant to this program shall be used by the County in accordance with the provisions and requirements of the program and the signed Agreement with the State. The provisions of that Agreement will allow expenditures in one or more of the following areas:

- 1) Polling Place Accessibility - Funds may be used to make polling places, including the path of travel, entrances, exits and voting areas of each polling facility, accessible to individuals with the full range of disabilities;
- 2) Equal Opportunity - Provide the same opportunity for access and participation (including privacy and independence) to individuals with the full range of disabilities as for other voters;
- 3) Accessibility Training - Training for elections officials, poll workers and election volunteers on how best to promote the access and participation of individuals with the full range of disabilities in elections for Federal and State office; and
- 4) Access Information - Provide individuals with the full range of disabilities with information about the accessibility of polling places.

All program costs will be fully off-set by federally funded HAVA revenue. There is no net County cost to application or acceptance of these grant funds.

Implementation of Strategic Plan Goals:

The recommended action supports the County's Strategic Plan as follows:

Goal No. 1: Service Excellence: To reliably and consistently provide the registered voters of Los Angeles County with easy access to critical election services and information.

Goal No. 4: Fiscal Responsibility: Strengthen the County's fiscal capacity by effectively applying for and managing available grant resources.

Goal No. 6: Community Services: Improve the quality of life for residents of Los Angeles County's unincorporated communities by offering a wide range of Department coordinated services responsive to each community's specific needs.

FISCAL IMPACT/ FINANCING:

Approval of the recommended action will allow Los Angeles County to apply for \$851,618.54 in federal funds to implement HAVA Section 261 and will not increase net County cost.

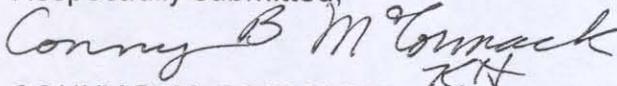

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Help America Vote Act (HAVA) of 2002 federally mandates certain voting standards and improvements be implemented. The HAVA EAID grant will provide funds to Los Angeles County to meet those federal mandates.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

Approval of the recommended actions will allow the RR/CC to enhance voter services by improving accessibility to and participation in the elections process for individuals with disabilities.

Respectfully submitted,

CONNIE B. McCORMACK

3. No portion of any HAVA funds shall be used for partisan political purposes. All contractors providing services are required to sign an agreement, please see Exhibit E Item 2, to abide by the Secretary of States' policy to refrain from engaging in political activities that call into question the impartiality of the Secretary of State's Office. County is to submit agreement signed by each employee of contractor's firm who worked for County pursuant to this Agreement with the County's first invoice.
4. The provisions of the federal *Hatch Act* shall apply to employees working for state and local entities receiving HAVA funds. The *Hatch Act* may be reviewed at http://www.osc.gov/documents/hatchact/ha_sta.pdf;
5. Any interest earned by County on money received pursuant to this Agreement must be reported in writing to the Secretary of State within 30 days of termination of this Agreement. All interest must be used by the County for the purposes of implementing activities allowable under this Agreement;
6. Failure by any eligible County to execute a contract by January 1, 2006 shall constitute an express desire to forego its use of the County's proportionate share of these funds, which may result in reallocation of that County's proportionate share of funds to other counties for the purposes provided under this contract.
7. Funds not claimed by County by September 30, 2007, nor approved for county use by the Secretary of State by December 31, 2007, shall be reallocated to the Counties based on need and may only be used to meet Section 261 of HAVA;

County warrants by execution of Agreement, that no person or selling agency has been employed or retained to solicit or secure this contract upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by County for the purpose of securing business. For breach or violation of this warranty, the State shall, in addition to other remedies provided by law, have the right to annul this contract without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee;
12. Nothing contained in Agreement or otherwise, shall create any contractual relation between the State and any subcontractor or vendor, and no subcontractor shall relieve County of its

responsibilities and obligations hereunder. County agrees to be as fully responsible to State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by County. County's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to County. As a result, State shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor or vendor of County;

13. Pursuant to federal law, as a component of the procurement process, the County must review the federal government's list of debarred and suspended vendors and ensure no contract award is provided to a vendor on this list.
14. County agrees to provide the Secretary of State with a summary report on its activities under this agreement following each election for which funds are expended that includes: the method used to determine the need for funding an eligible activity, including the reliance on an advisory committee or advisory groups, surveys or any other methodology used to assess the need for the eligible activity; the activity performed and funded; the amount of funding expended; the category or categories of need being met; and any performance metric or assessment of the quality of the activity, including unsolicited public comment, advisory committee or advisory group comment, public comment solicited through surveys and on-site assessments conducted by the County, its agents or others.

ADDITIONAL PROVISIONS

1. Secretary Of State Policy Regarding Political Activity In The Workplace

SECRETARY OF STATE POLICY REGARDING POLITICAL ACTIVITY IN THE WORKPLACE

The Secretary of State is the state's chief elections officer. It is, therefore, imperative that staff in the Secretary of State's Office, and those who contract with the Secretary of State's Office, refrain from engaging in any political activity that might call into question the office's impartiality with respect to handling election issues. Accordingly, the policy of the Secretary of State's Office with respect to political activity in the workplace, a copy of which will be given to every employee in the Secretary of State's office and incorporated as an attachment to contracts with the Secretary of State's Office, is as follows:

1. No employee of or contractor with the Secretary of State's Office shall engage in political campaign-related activities on state-compensated or federal-compensated time, except as required by official duties, such as answering inquiries from the public. In those cases where the contractor with the Secretary of State's Office is a county, the term "contractor" shall apply only to county elections office employees, county employees redirected to work temporarily for the county elections office, or any person, firm, company or business that provides reimbursable election-related services to a county elections office in furtherance of a contract. This prohibition shall not apply while an employee is on approved vacation or approved annual leave. This prohibition shall not apply to activities engaged in during the personal time of an employee.
2. No employee of or contractor with the Secretary of State's Office shall use any state property in connection with political campaign activities. It is strictly prohibited to schedule political campaign-related meetings or to conduct political campaign-related meetings in state office space, even if after normal working hours.
3. No employee of or contractor with the Secretary of State's Office shall use his or her official status with the Secretary of State's Office to influence political campaign-related activities or to confer support for or indicate opposition to a candidate or measure at any level of government.
4. No employee of or contractor with the Secretary of State's Office may be involved with political campaign-related telephone calls, letters, meetings or other political campaign-related activities on state-compensated or federal-compensated time. Requests by employees to switch to alternative work schedules, such as 4-10-40 or 9-8-80 work weeks, or to take vacation in order to accommodate political campaign-related activities or to attend political campaign functions, will be judged in the same manner and on the same basis as any other requests of this nature (i.e., existing needs of the office and discretion of the division chiefs).
5. The receipt or delivery of political campaign contributions or photocopies thereof on state property is strictly prohibited, as is the use of office time or state resources (e.g., intra-office mail or fax machines) to solicit or transmit political campaign contributions.
6. No employee of or contractor with the Secretary of State's Office may authorize any person to use his or her affiliation with the Secretary of State's Office in an attempt to suggest that the employee's or contractor's support or opposition to a nomination or an election for office or a ballot measure is of an "official," as distinguished from private, character.
7. No employee of or contractor with the Secretary of State's Office may display political campaign-related buttons, posters, or similar materials in areas visible to individuals who are in public areas of the Secretary of State's Office; nor may an employee of or contractor with the Secretary of State's Office display political campaign-related posters or other materials on windows facing out of the state office building.

EXHIBIT E
(Standard Agreement)

8. No employee of or contractor with the Secretary of State's Office may use official authority or influence for the purpose of interfering with or attempting to affect the results of an election or a nomination for any public office.
9. No employee of or contractor with the Secretary of State's Office may directly or indirectly coerce or solicit contributions from subordinates in support of or in opposition to an election or nomination for office or a ballot measure.
10. An employee who is paid either partially or fully with federal funds, including the Help America Vote Act of 2002 (HAVA), is subject to the provisions of the federal Hatch Act, and is, therefore, prohibited from being a candidate for public office in a partisan election, as defined in the federal Hatch Act. However, any employee who is to be paid either partially or fully with funds pursuant to HAVA, shall first be consulted about the proposed funding and be informed about the prohibitions of the federal Hatch Act. The employee, whenever possible, shall be given the opportunity to engage in employment that does not involve HAVA funding.
11. Provisions limiting participation in political campaign-related activities as provided for in this policy statement shall be included in every contract with the Secretary of State's Office.

If you have questions concerning these restrictions, please refer them to the Secretary of State Office contact person listed on the contract in Exhibit A.
